

Base Station Power Supply

Nova Code: **POW-107SM**

- Designed for Two Way Radio Base Station use
- NRCS Certificate

Specifications	POW-107SM
Input voltage	220V-240V AC 50Hz
Output voltage	DC 13.8V \pm 2%
Ripple voltage	\leq 100mV p-p
Output current	10A continues 12A peak
Operating temperature	0 to + 40°C
Features	
Battery back-up	No
Short circuit protection	Yes
Transformer type	Switch mode
Compact size	155mm x 110mm x 250mm
Weight	1.6 kg
