

1 to 5 Way Power Distribution

Nova Code: **POW-105DB**

- 5 Way Splitter
- Built in Surge Protection

| Specifications | POW-105DB |
|-----------------------|-----------------|
| Input Voltage | 10 - 30 V AC/DC |
| Output Voltage | = Input Voltage |
| Output Current | 5 x 1 A |
| Operating Temperature | -10 to + 60°C |

| Features |
|--|
| • Outputs are individually fused using PTC |
| • Individual L.E.D. per Output |
| • Neat Installation |

Specification subject to change without notice. Issue 1
